Simple Ways to Empower Parents .....	175

## What a Congregation Can Do for Someone in Trouble with Addiction ..... 181

*Even though this toolkit is designed to support prevention efforts, it's likely that the issue of someone experiencing a problem with addiction will come up. This section includes information and sample tools that congregations have used to become a helpful and healing resource for people experiencing addiction. In addition, creating a congregation where addiction is accurately understood and not a "secret" also helps support prevention.*

The Congregation's Role When Someone Is in Trouble with Addiction ....	183
✪ Sample Bible Study Session on Dealing with Addictions .....	187
✪ Sample Torah Study on Recovery: Go from Your Land.....	197
